Whether or not you're a fan of Valentine's Day, you're going to appreciate this offer. Dubai beach club Drift at One&Only Royal Mirage, is offering a Dhs 20,000 all-day experience.

The offer includes a private chauffer-driven ride to a new villa, which features a private deck and a private beach.

Also thrown into the mix is a couple's massage, and a special lunch by Chef de Cuisine Maxime Le Van including luxury chocolate, flowers and bubbly.

The club is also throwing in a romantic candle-lit dinner and drinks followed by a luxury vehicle ride home.

But if you want to go the extra mile, guests can add a photographer or videographer for an additional cost.

As the romantics say, when in doubt, go all out.
