Venture into Dubai's hottest beach club to experience glamour and escapism at its finest

Graphic lines frame a famously beautiful seaside setting at Drift Beach, a grown-up beach club set in the grounds of the One&Only Royal Mirage, Dubai. Backdropped by swaying palm trees and [Dubai Marina's](#) iconic skyline, guests are more than happy soaking up the panoramic views of Palm Island Bay from private cabanas positioned around a lounging infinity pool, while others may prefer to dip their toes in the turquoise waters of the Arabian Gulf that surrounds the club.
