DRIFT Beach Dubai, One&Only Royal Mirage

One of Dubai's most elegant beach and pool destinations, DRIFT Beach Dubai has revealed an exclusive new sea-facing infinity pool adjacent to its Private Beach Cabana. Perfectly temperature controlled with four water loungers and the ideal size to welcome up to 8 guests at a time, the private cabana is tucked away from the main area of the famed beach club, and as well as the new pool, it features a large lounge with elegant seating, a widescreen LED TV screen, private bathroom facilities and a mini bar. After a morning of swimming in the private pool and soaking up the elegant atmosphere, guests can also choose to dine in the cabana itself, savouring items from DRIFT's vibrant Provençal menu accompanied by crisp glasses of grape.
